Teaching in the winter semester 2021/22

Prof. Dr. Jan Reineke

SIC Saarland Informatics
Campus

Semester dates

- Winter semester 2021/22:
 - Courses start on **October 18**
 - Courses end on **February 11**
- Regular **full-length** winter semester 😊

Teaching modalities

- 1st and 3rd semester Bachelor courses mainly on campus
- Other courses will be carried out
 - **Online**, or
 - **Hybrid: Online and in-person participation is possible**
- Full range of courses:
 - All courses can be found in the LSF: <https://www.lsf.uni-saarland.de/>
 - Many courses will be presented later on

International students

- Physical presence on campus will **not** be required **prior to exams**
- Commitment of lecturers to
enable online participation throughout the semester!

Exam dates

February 14 and later End-of-term and (later) re-exams for the winter semester

Exceptions are possible where there are good reasons for that,
e.g. midterms in basic courses

Detailed information on the respective course websites

Exams and exam inspections

- Written exams on campus are possible (as in previous terms)
 - Sufficient space will be provided and hygiene measures will be adopted
 - Participants are asked to wear face masks
- Online oral exams are also possible

- Exam inspections:
 - Same rules as for written exams

Returning to campus responsibly

Rules for on-campus activities I

- All on-campus activities are carried out under the “3G” rules:
 - **G**eimpft – Vaccinated, or
 - **G**etestet – Tested, or
 - **G**enesen – Recovered
 - There will be random compliance checks

- Vaccinations on campus:
 - *When:* Until October 22, each day from 9 am to 4 pm
 - *Where:* KHG Café (Building A3 1)
 - Choice of Biontech/Pfizer and Johnson & Johnson

Returning to campus responsibly

Rules for on-campus activities II

- Register for on-campus events using the Staysio App: <https://staysio.de/>
QR codes are on display in all rooms
- If you cannot keep a distance of 1.5 meters,
you are required to wear a **medical face mask**.

- Please adhere to these rules to keep the university a safe place!

Returning to campus responsibly

Student workplaces on campus

- In building E1 3 (CS):
 - Foyer: first and second floor
 - Rooms 1.03 and 1.04
- In building E2 4 (Mathematics)
 - Rooms 0.06, 0.07, 0.08 (in the basement)
 - Room 3.17
- In building E2 5 (Mathematics)
 - Foyer

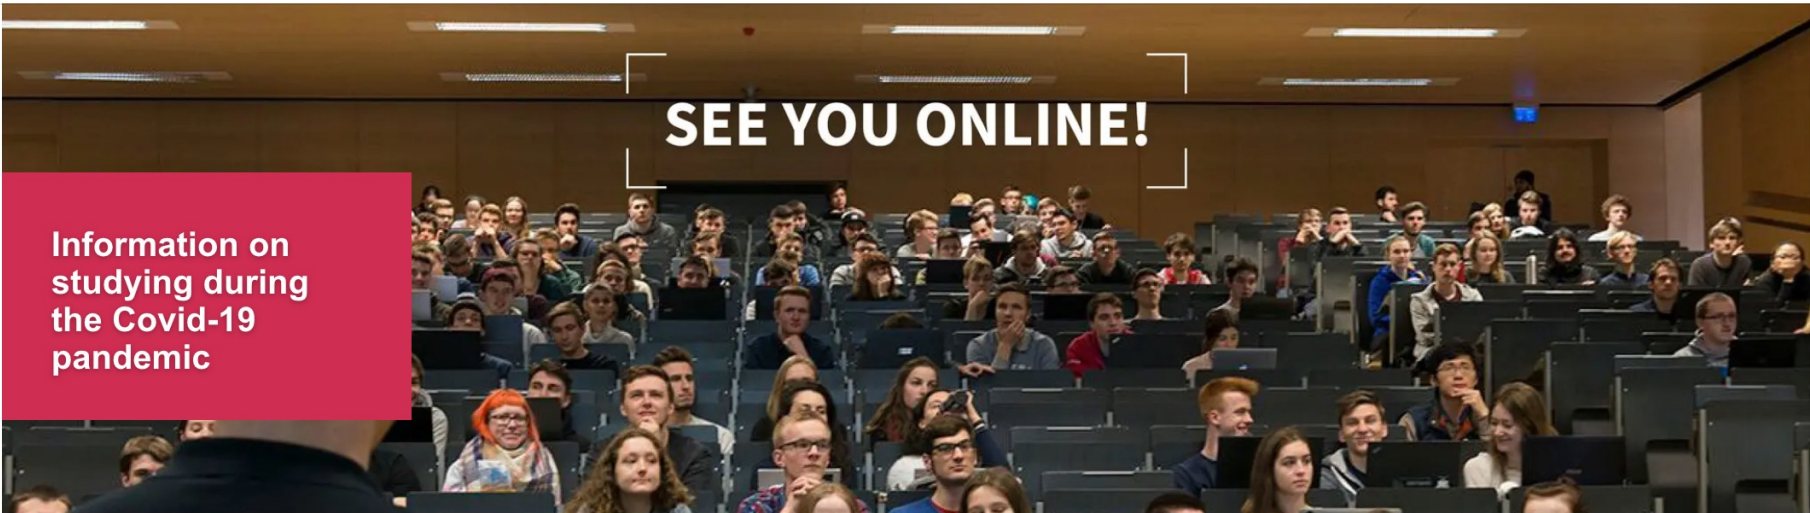

altogether > 200 workplaces

- Remember to register using Staysio!

pandemic

Status: 28.09.2021

Welcome at the Saarland Informatics Campus

On October 18, Saarland University will start lectures for the winter semester 2021/22, which will again be held in face-to-face teaching! Elements of digital teaching will be integrated in a targeted manner. The university will be revitalized as a working, teaching, learning and social space.

Please also regularly check the information pages of Saarland University for the **winter semester 2021/22** and the **corona virus**.
